

Missouri American Water (MAW) is the company that owns the water and sewer treatment plant. Contact MAW customer service for information on water, leaks and billing at 866-430-0820. You can also visit their website for additional information at [www.missouriamwater.com](http://www.missouriamwater.com)

Back Flow Testing must be done on your irrigation system every year when it is turned on. This is required by St. Louis County Ordinance.
